↑ *Siyum on Perek Hakones* at Yeshivas Toras Simcha: Under the tutelage of Rabbi Aryeh Sternman, the sixth grade at Yeshivas Toras Simcha finished *Perek Hakones* last week and enjoyed a delicious *siyum*. The boys were treated to a *dvar Torah* from Rabbi Dovid Rubin of Mesivta Kesser Torah, who encouraged them to review what they learned over and over again. He also told the boys that the famous Abaye was poor, but when his students made a *siyum*, he spared no expense in providing a delicious meal to celebrate it. Now on to learning *Perek Hamaniach*!
