The Shemiras Halashon Carpool Program at Yeshivas Kochav Yitzchok/Torah Institute of Baltimore: The program was started seven years ago by a *talmid* of the *cheder* as a *zechus l'refuah shleimah* for his relative. Every day, the boys learn a small section of *Sifrei Chofetz Chaim*, both after *Shacharis* and in carpool. All participants are eligible for weekly and monthly prizes, as well as an end-of-the-year *siyum*. The program has spread to schools in other cities across the country.

Yeshivas Toras Simcha had the *zechus* of welcoming Harav Moshe Heinemann, *shlita*, Rav of Agudath Israel of Park Heights, to visit the yeshivah. Rav Heinemann spoke to *talmidim* in 5th through 8th grades. He explained that even while building the 3rd Beis Hamikdash will be extremely important, their Torah learning is even more important, to the extent that they will continue to learn as the Beis Hamikdash is being built, *bimheirah b'yameinu*. Rav Heinemann then greeted the *talmidim* in both the older grades and the younger grades.
